

To Cat, Ben + Mine

Thankyou so much for a really lovely weekend away! Me and the guys had such an amazing time, even if we did get a little grumpy sometimes! I just wanted to say thankyou to you guys for making this weeking the best it could have been.

YOU'RE VERY MUCH

APPRECIATED

I really really appreciate you being there for us when we need it and making me giggle when I'm feeling down. Weekends like that and being surrounded by you guys genuinely makes me feel like life is worth living!

Thankyou!

Love
